

EAST GRAND COUNTY FIRE PROTECTION DISTRICT NO. 4

P.O. Box 2967 • Winter Park, Colorado 80482
(970) 726-5824 • Fax (970) 726-5938

Building Permit Applicant:

The International Building, Mechanical and Fire Codes are compatible and have been adopted by the towns of Fraser and Winter Park. The Codes functional application is to contribute to the safe construction and maintenance of buildings throughout our community.

If you have chosen to, or are required by building or fire code to protect your building with a Fire Suppression System (sprinklers) or a Fire Alarm System, the plans for these systems need to be reviewed by East Grand Fire District's Fire Prevention Office. East Grand Fire District needs to be contacted ASAP before any remodel work is started on any building that has an existing fire sprinkler system.

If you are unsure as to the need or requirement for either of these life safety systems, please contact East Grand Fire Protection District at (970) 726-5824 or visit our website at www.eastgrandfire.com.

Thank you,

Dennis K. Soles
Fire Prevention Officer
East Grand Fire Protection District
