

BE A GOOD NEIGHBOR!

Just a few things to know so that we can all safely live, play and visit in Winter Park.

Quiet hours are from 10 p.m. to 8 a.m.

We have wildlife in Winter Park – leaving trash out overnight is not permitted!

No overnight parking on ANY Town street from October 1 – May 31, it can impede snowplows.

Follow all rules when dealing with open flames and make sure to check if there is a fire ban. Find more information on the Town's website.
