#### **Title 4, Chapter 7 Town Code of Winter Park, Colorado**

4-7-1 **PURPOSE:** The purpose of this Section is to improve the air quality of the Town by limiting the number of solid fuel burning appliances and devices, improving the emission of existing solid fuel burning devices and requiring all new installation of solid fuel burning appliances to meet minimum standard for the emission of particulates. (Ord. 236, Series of 1996)

#### **4-7-2 DEFINITIONS:**

Approved Non-solid Fuel Burning Appliance or Device: An appliance or device which burns a non-solid fuel such as natural gas, liquefied petroleum (LP) or similar fuel, in an appliance or device which has been approved by Underwriter's Laboratory, American Gas Associates or the Building Official.

Approved Solid Fuel Burning Appliance or Device: An appliance or device which is designed or intended to burn solid fuel and which is certified by the air pollution control division of the State of Colorado Department of Health to meet the emission standards set forth in Section IV of regulation #4 of Volume I of the Standards of the State Air Quality Control Commission. In addition, those solid fuel burning appliances or devices which appear on a list of certified devices developed by the State of Oregon Department of Environmental Quality established pursuant to those standards set forth in Oregon's Administrative Rules, Chapter 340, Division 21, Sections 100 to 190, adopted November 19, 1984, shall also be considered approved.

Solid Fuel Burning Appliance or Device: Any fireplace, stove, firebox, appliance or device intended or used for the purpose of burning wood, coal, pulp, paper or other non-liquid or nongaseous fuel. (Ord. 236, Series of 1996)

#### **4-7-3 PERMITS; FEES:**

A. It shall be unlawful for any person, firm, or cooperative to install or permit to be installed in any building within the Town any solid fuel burning appliance or device without first obtaining a building permit from the Building Official.

#### **4-7-4 EXISTING APPLIANCES AND DEVICES; REPLACEMENT:**

B. Solid Fuel Burning Appliance or Device Replacement: No person, firm or cooperative shall replace a solid fuel burning appliance or device which is substantially destroyed, demolished, or in need of replacement with another solid fuel burning appliance or device unless the replacement appliance or device is an approved solid fuel burning appliance or device unless the replacement appliance or device is an approved solid fuel burning appliance or device. (Ord. 236, Series 1996)

#### **4-7-5 PERMITTED DEVICES; LIMITATIONS:**

B. Limitation on the Number: The number of approved solid fuel burning appliances or devices which may be installed shall not exceed the following units:

1. Detached Single-Family Dwelling: One approved solid fuel burning appliance or device per dwelling.
2. Building with Two Dwelling Units: One approved solid fuel burning appliance or device per dwelling.
3. Apartments, Condominiums, Commercial and Industrial Buildings: Apartments, condominiums, commercial and industrial buildings shall be allowed to install one approved solid fuel burning appliance or device in a lobby or other common area of the apartment, condominium or hotel. Only an approved non-solid fuel burning appliance may be installed within any apartment, condominium or hotel/motel room.

In all buildings, the installation of any additional solid fuel burning device is prohibited if the resulting number of solid fuel burning devices exceeds the limitations contained in this Section. (Ord. 236, Series of 1996)

4-7-6 **REBATE PROGRAM:** A rebate of one hundred dollars (\$100.00) shall be paid to any building owner who converts or replaces his approved solid fuel burning appliance or device with an approved natural gas, liquefied petroleum (LP) or electric appliance; a rebate of one hundred dollars (\$100.00) shall be paid to any building owner who converts or replaces his nonapproved solid fuel burning appliance or device with an approved solid fuel burning appliance or device and a rebate of two hundred dollars (\$200.00) shall be paid to any building owner who converts or replaces his nonapproved solid fuel burning appliance or device with an approved natural gas, liquefied petroleum (LP) or electric appliance. (Ord. 236, Series of 1996)

4-7-7 **APPEALS:** Appeals of orders, decisions or determination made by the Building Official relative to the application and interpretation of this Chapter shall be heard by the construction Board of Appeals pursuant to Title 2, Chapter 4 of this Code. (Ord. 236, Series of 1996)
