

THE SCOOP

We're All In This Together

For everyone's safety, continue precautions during "safer at home" phase

We're not out of the woods yet, but our community has done a great job containing the virus during the "stay at home" order. To keep ourselves, friends and neighbors safe, please respect this transition to the "safer at home" phase by wearing masks in public, washing your hands frequently, and keeping 6 ft. apart.

Although Town Hall is closed to the public, we're still here to serve you. Explore [our website](#) to find the resources and contacts you need.

COVID-19 Resources:

- [Business Reopening Information](#)
- [Current Open Status of Local Businesses](#)
- [Chamber of Commerce Updates & Resources](#)

In the April municipal election, residents voted 3 new Council members and 1 returning member into office. **Get to know them** and what they look forward to accomplishing.

Stay tuned: When we can be together again, we'll host an appreciation event to properly thank our outgoing Council members.

10 Minutes Well Spent

Dragging your feet to fill out the Census? The time is now – **complete it online** to help your community! After you submit it, email a copy of your response receipt, proof of physical address matching the response receipt, and a mailing address to **Grand County** to receive a \$25 VISA gift card, while supplies last.

You can also participate by mailing back your paper questionnaire or by **calling a toll-free number**.

Fill out your 2020 Census online today.

Staying on Schedule

You may have noticed that many construction sites are still active, and that includes our new Public Works Facility. Our contractors are taking extra precautions, but they're still able to work.

We're conscientious of our expenses and how our 2020 budget will be affected by COVID-19. Luckily, funding for this project was secured and earmarked last year so

continuing construction does not impact our expenses this year.

Transition with Transit

Michael Koch, our Transit Manager since 2016, has **announced that he will be leaving in October**. We're sad to see him go, but his work isn't done yet. Before he leaves, Michael will be looking for even more grant funding, opening the Transit Center, overseeing plans for the Lift Operations Center and christening at least one new bus. The Transit Manager position will be posted soon.

Reminder: Please continue to board at the rear door of the bus. Elderly or disabled riders who need to use the ramp at the front of the bus are excluded.

Have a Hand in How Our Town Grows

Serving on our Planning Commission is a great way to have a say in what developments come to Winter Park. We currently have one opening on the Commission – if you're interested, please contact **James Shockey** to obtain an application. Applications must be submitted back by 12 p.m. on May 20.

Upcoming Events

All events take place in Winter Park Town Hall, 50 Vasquez Road, unless otherwise noted. Due to COVID-19 many of our meetings will be held virtually. Please look at the **meeting agenda documents** for participation information.

Town Council Workshop

Tuesday, May 5, 3 p.m.

Town Council Workshop

Tuesday, May 19, 3 p.m.
