

THE SCOOP

Thanks to our great Parks Crew (left) and Gardens Crew (right) for their work to keep Winter Park clean and beautiful this summer!

Creating an Inclusive Community

Learn about our Police Department's philosophy

It's difficult to ignore what's been happening throughout the country over the past few weeks. With recent events top-of-mind, the Towns of Fraser, Winter Park and the Fraser Winter Park Police Department came together to release a [joint statement](#) about our commitment to make the Fraser Valley welcoming to all. We're also proud of the Police Department's [Use of Force policies](#) that have been in place for several years to serve citizens in a positive, respectful manner.

[Read the Statement](#)

Next Stop: Transit Center

The Cooper Creek Transit Center is OPEN! We hope to schedule a ribbon-cutting later this year when larger crowds can gather. In the meantime, we invite you to go inside and check out the new transit

hub in Downtown Winter Park. The Lions Head Coffee Shop will also open soon.

As a reminder, the Lift is operating its regular summer schedule. Back door boarding is also planned for the rest of the summer. [See the routes](#)

Let's Do This Together!

As our community starts to reopen, don't forget to follow these tips to keep Grand County safe and healthy:

- Mask up when you're out and about
- Wash those hands frequently
- Stand at least 6 feet apart from others
- Be happy at home when not working or traveling for essential reasons
- Take care in the open air as rules still apply when recreating outside

New Ways to Celebrate Summer

July 4th looks a little different this year, but we're still looking forward to celebrating with the "Front Porch 4th of July" weekend! Participate in [various activities and contests](#) throughout the weekend.

Fitness in the Park is also resuming on Sundays, 9-10 a.m. in Hideaway Park. Bring your own mat and join us on July 5th!

The Work of Public Works

A temporary tent can't stop our Public Works Department!

They've been hard at work while the new facility is being built.

- Signs along the Fraser River Trail in Old Town were updated to better guide users.
- After the large storm in early June, crews worked hard to clear tree damage around Town.
- We get a lot of questions about landscaping and plants, so the Forestry Division put together their [top tips and resources](#).

Has Your Home Been Counted?

Grand County has seen an uptick in Census responses, but we're not done yet! Vacation homes need to be counted as well - start by completing the [2020 Census](#) online, by phone or mail for the home's address.

If the home is NOT occupied the majority of the time (less than 6 months per year), answer zero to the number of people that live in the home. That's it!

Upcoming Events

All events take place in Winter Park Town Hall, 50 Vasquez Road, unless otherwise noted. Due to COVID-19 many of our meetings will be held virtually. Please look at the [meeting agenda documents](#) for participation information.

Town Hall Closed

Friday, July 3
